

STONE READINGS & PIPE CEREMONY

MARCH 22ND & AUGUST 30TH
6PM - 7.30PM

Stones are the keepers of history, its memory and energy. Bring your own stones to this gathering where LaKota will do a personal reading for each attendee's stone, followed by an imbued blessing of them all with the singing of her powerful Stone Song.

Lakota OneHeart was chosen as the keeper of the Sacred White Buffalo Calf Pipe. The Lodge on Mar 21st commemorates the awakening of this Pipe 30 years ago in Bear Butte, SD. On Sunday, we will be focusing our joint energies with this Pipe as a Peace Pipe for the Planet ... to pray with it during these troubled times in this era of too many conflicts, and to our Higher Awakening. You are welcome to bring your own Pipe if you have one.
